

CocoaConf
2016

GDG DevFest
Minsk 2016

Call for Partners

Let's make this autumn mobile!

CocoaConf is an annual conference for iOS-developers in Belarus.

CocoaHeads is a community devoted to discussion of Apple Computer's Cocoa and CocoaTouch Frameworks for programming on MacOS X, iOS and Swift.

Join us!

GDG DevFest Minsk is part of a series of GDG DevFest events all around the world.

GDG DevFest is the biggest annually held Google tech conference carefully crafted by local GDG community. All about Android, Web and Cloud from the world experts.

GDG DevFest

25 November

Workshops day
(3 tracks of workshops)

26 November

Keynotes day
(12 speeches)

CocoaConf

19 November

2 parallel tracks
(14 speeches)

Leaders from Eastern and Western Europe will meet to share experiences and contribute to development of mobile communities and industry in Belarus!

Venue

A great place created specially for IT-events at the very center of Minsk.
